Landowner by executing this Application does hereby acknowledge that if the application is approved:

1. The Village of Ladd will only be responsible for the **material cost of the concrete** (six bag mix) involved in replacing the **sidewalk** (no aprons, driveways, etc.) on **Village property only**. The Village will not be responsible for any other materials (such as mesh, expansion joints, etc.) nor any labor involved in the removal or reinstallation of the sidewalk. Notwithstanding the foregoing, the Village may, at the sole discretion of its General Superintendent, assist in the removal of the existing sidewalk concrete, as the work schedule of his employees may permit.
2. The Village of Ladd will only be responsible for the cost of the concrete if the Village of Ladd orders the concrete from its selected provider. It is the responsibility of the Landowner to contact the Village Clerk to request the ordering of the concrete at least two business days in advance of the requested delivery date. In the event anyone other than an employee of the Village Clerk's office orders the concrete, the Village will not be responsible for the cost of the concrete. In the event the Landowner desires to utilize a provider other than the one selected by the Village, Landowner agrees to reimburse the Village for any charges levied by that provider in excess of the charges that would have been charged by the Village's selected provider. In the event the Landowner requires a Saturday delivery, Landowner agrees to reimburse the Village for any additional delivery cost attendant to such Saturday delivery. The Landowner must obtain the approval of the height and placement of the forms prior to pouring the concrete and agrees to score the concrete in intervals of not less than four (4) feet. Sidewalk thickness must not exceed four (4) inches. Driveway or easement approaches are to be a thickness of six (6) inches.
3. Any Approval granted in response to this Application would be valid for a period of ninety (90) days from the date of its Approval as set forth below. In the event said concrete is not ordered by said date, the Approval granted in response to this Application shall expire and become null and void.
4. In consideration of the approval of the sidewalk removal by the Village, Landowner agrees to indemnify the Village of Ladd, Bureau County, Illinois, from any and all claims, demands, actions, judgments, and executions which anyone may have in any way relating to the removal or reinstallation of said sidewalk.
5. By the execution of this Agreement and in consideration of the approval of the sidewalk removal by the Village, the undersigned Landowner agrees to be bound by the terms of this Agreement and any charges stemming therefrom.
